

Junior Parents
You Are Invited To The
First Planning Meeting
For 2011 PGP (*Post Graduation Party*)
Thursday, February 25th, 2010
7:00 - 8:30 pm at Trackside

A Wilton tradition since 1989, the PGP is an all-night party held following WHS graduation and is hosted by parents of the graduates. During the preceding months, parents work together to provide their graduates with a safe and memorable experience.

At this meeting we hope to answer questions about the PGP including:

- When is the PGP?
- What activities and entertainment are included in the Party?
 - What are the committees? Can I be a chief or an Indian?
- I have a full/part-time job and other commitments; can I still help?
 - Can I help pick the party theme?
 - How much is this going to cost me?
- Is there a website? How will I receive information?
 - What's next?

Please join us as we begin this adventure!
